

The Clarendon Academy, Frome Road, Trowbridge, Wiltshire

Job Description

POST: Subject Teacher

PAY RANGE: Main scale or UPS teacher salary

RESPONSIBLE TO: Leader in Learning for the curricula area

Job Purpose

To enable all students taught by them to achieve good progress.

Responsible for:

- Delivery of lessons which always deliver at least 'good' learning, according to Ofsted criteria;
- creating an environment in the classroom which can inspire learning;
- tracking the achievement and progress of students that they teach, and where necessary, applying intervention strategies;
- meeting the C standards and, if on the Upper Pay Scale, the P standards;
- being an expert in their subject area and keeping abreast of subject and curriculum developments.

Required tasks:

- Rigorous implementation of the curricula area's rewards and enrichment programme;
- understanding the specific learning needs of students within their groups;
- plan lessons and sequences of lessons to meet the needs of all students;
- to implement consistent behaviour within the classroom;
- to complete progress reports or data collections for all students;
- to develop the use of AFL and APP in assessing work;
- to take accurate registers;
- to be aware of the Child Protection Policy and Procedures.
