30 March 2017

Dear Parent/Carer

School Uniform Suppliers

As you may be aware, we have for some time had our uniform supplied by SWI where orders could only be taken online. In recent months SWI have been taken over by Blue Max Banner (BMB) who manufacture here in Trowbridge. They work very closely with Scholars and so we have decided to have our uniform stocked by Scholars. The SWI website will close by the end of March. Any orders in transit, I am assured, will be delivered as per the present agreement.

Scholars will stock all branded items from the 1st April and so the purchasing, sizing etc. can be done at your convenience. We do hope this will make things easier and more convenient for all parents and students.

PE Kit

From September 2017 the academy PE kit will have some slight changes. After listening to parents and students about the comfort, price and durability of our present uniform we have been seeking kit that is very much more, fit for purpose. Only year 7 students will be required to buy the new kit but as items are replaced for older students the new kit will be phased in.

THERE IS NO REQUIREMENT FOR NEW KIT TO BE PURCHASED FROM YEAR 8 AND ABOVE – merely replaced with the new stock when needed.

We hope these changes will maintain the high standards set by the academy and look forward to your support in ensuring the uniform is worn smartly with pride.

Yours faithfully

Catherine Szabo
Vice Principal
